DIGITAL CAMPAIGN REPORT

25 Rue Grand Ducal, Newport Beach, California

MARCH 18 THROUGH APRIL 18, 2026

Precision over *volume*.

Your home is not advertised everywhere. It is advertised where it matters. Over a thirty day flight, Aperture Global placed your residence before a curated digital audience of qualified buyers across the markets most likely to produce them. Every placement is selected, not scattered. The result is a campaign that reflects the caliber of the home it represents.

TARGETED FEEDER MARKETS

Southern California markets chosen for their record of producing Newport Beach buyers.

CURATED DIGITAL REACH

Premium placements only, sized and styled for the home they present.

MEASURED RESULTS

Every impression, viewer, and engagement accounted for and reported.

VIEWABILITY RATE

Over its thirty day flight, your home was presented more than twenty thousand times to a curated audience of nearly eighteen thousand qualified viewers, with nearly eight in ten measured placements confirmed as seen. Engagement ran above typical benchmarks for digital property campaigns, with a 0.34 percent click-through rate.

One home. *Every screen.*

Your residence appeared in six tailored formats designed for desktop, mobile, and tablet, so the home presented beautifully wherever a buyer encountered it. Editorial display carried the majority of reach, while the immersive full screen formats drew the strongest response.
